The Library is unable to conduct general genealogical research. Instead, we refer patrons to the Ohio Genealogical Society, 713 S. Main St., Mansfield, OH, 44907-1644 [Telephone 419/756-7294], for a list of professional researchers.

We will, however, search the following set of prepared indexes of public records important for genealogical research: *Hamilton County, Ohio, Citizenship Record Abstracts, 1837-1916; Hamilton County, Ohio, Wills, 1791-1901; Hamilton County, Ohio, Death Records, 1865-1877; and Hamilton County, Ohio, Birth Records, 1874-1875.* These volumes were prepared by Lois Hughes and may be available in your local public library. We can also search an index of births and deaths acquired from Hamilton County Vital Records which covers the late 1800s to about 1910.

Please fill out the form below and mail to the address listed above.

Prepayment of \$10 per request is required and covers research, photocopying (up to 40 pages), and postage. Please make checks payable to University of Cincinnati. If requested record(s) is not found, your check will be returned to you. If there are more than 40 pages, you will be billed at the rate of 25¢ per page.

Due to the fragile nature of many of these materials, photocopying of originals may not be possible. However, the information will be provided by copying of the indexed record, which duplicates the information, though not the format.
