

UC Retiree Explanation of Library Privileges

Faculty and staff who retire from UC have borrowing privileges at all UC Libraries.

To borrow library materials, UC retirees must show a valid retiree card plus a photo I.D. (if retiree card is without a photo). Borrowing privileges for UC retirees include:

- 25-item check-out limit. Some restrictions apply to certain library collections.
- OhioLINK-borrowing. (5 item limit.)
- 3-week loan period on most items.
- 3 renewals.
- On-site database access at public-access workstations.

Please consult the [Circulation Policies and Procedures](#) section of the University Libraries website for details on policies regarding circulation of library materials.
